Our District first had a public hearing of our draft plan on June 14, 2021 and then presented the plan for adoption by the Board of Trustees on June 17, 2021.

This LCAP reflects the requirements of new law (AB 97 and SB 97, 2013) related to the development of a three-year local control and accountability plan (LCAP), and an update of the LCAP on or before July 1 of each year. The policy addresses the importance of comprehensive planning, optional local priorities to add to the state priorities specified in law, requirement for consultation with specified groups on plan development, board adoption of LCAP, submission of the approved LCAP to the county superintendent, the board's role in monitoring district progress, and circumstances under which the district may receive technical assistance or intervention to improve student outcomes.
