BACKGROUND: School districts are required to submit Interim Reports for the period ending October 31, 2020 and January 31, 2021 for review and approval by the Board of Trustees. The purpose of these reports is to present an overview of the District's evolving financial situation and review of adopted budgets to determine whether financial obligations can be met in the current year as well as the subsequent two fiscal years. This report also includes multi-year assumptions that are the building block of the 2021-22 adopted budget. After each report is approved by the Board of Trustees, it is reviewed by the El Dorado County Office of Education.
