

TEACHER SUPPORT AND GUIDANCE

The Board of Trustees recognizes the link between teacher effectiveness and student learning and desires to provide structured, individualized support and guidance to teachers as necessary to enhance their performance and support teacher retention. The Superintendent or designee shall develop a program of intensive professional development and consultation to help interns and beginning teachers apply their academic preparation more effectively in the classroom and to assist other teachers who need additional development in subject matter knowledge, instructional methods, and/or classroom management.

(cf. 4131 - Staff Development)

(cf. 4112.21 - Interns)

The Superintendent or designee shall coordinate individualized teacher support and guidance activities developed pursuant to this policy with other district staff development programs and staff evaluation processes.

(cf. 4115 - Evaluation/Supervision)

(cf. 4131 - Staff Development)

Teachers may volunteer to participate in a teacher support and guidance program or may be referred to such services based on their performance evaluation.

Support providers shall be experienced certificated personnel who are knowledgeable about teacher development and needed competencies and have strong interpersonal and communication skills. Support may include, but is not limited to, classroom observations, regular meetings with the support provider, and an individualized plan for professional development or coursework that takes into consideration the teacher's assignment and prior preparation and experience. The roles and responsibilities of support providers shall be clearly defined in writing and communicated to all participants.

The Superintendent or designee shall ensure the timely assignment of qualified support providers to participating teachers and for reassignment as needed. He/she shall also ensure that each support provider receives appropriate training to serve in a support capacity and is provided adequate time and resources to assist other teachers.

The district may provide a stipend to support providers in accordance with the collective bargaining agreement and district budget.

(cf. 3100 - Budget)

(cf. 4141/4241 - Collective Bargaining Agreement)

TEACHER SUPPORT AND GUIDANCE (continued)

The performance of a participating teacher shall be monitored by the support provider, Superintendent or designee, and/or a panel of teachers and administrators in order to determine whether the teacher has met program goals and to make recommendations for follow-up support or employment action, as appropriate.

(cf. 4112.6/4212.6/4312.6 - Personnel Files)

(cf. 4117.6 - Decision Not to Rehire)

(cf. 4118 - Dismissal/Suspension/Disciplinary Action)

The Superintendent or designee shall regularly evaluate the district's teacher support and guidance programs and shall report to the Board regarding program effectiveness in meeting district goals for teacher quality and retention. Evaluation reports may include, but are not limited to, data on program enrollment and completion, subsequent retention rates of participating teachers, and interviews or surveys of program participants.

(cf. 0500 - Accountability)

Beginning Teacher Induction Program

The Superintendent or designee shall inform beginning teachers who possess a preliminary credential about induction programs or other options that are available to help them fulfill the requirements of the clear multiple subject, single subject, or education specialist credential pursuant to Education Code 44259.

(cf. 4112.24 - Teacher Qualifications Under the No Child Left Behind Act)
